EDITORIAL

Finally, summer is upon us, and as we flock expectantly to sun drenched shores with over packed suitcases, on planes where a mouse would complain about legroom, serving food of an indescribable nature, all before we ultimately un-chastening our pasty bodies to be roasted and branded by our own swimming regalia. Sounds fairly typical, yet these ladies are anything but and certainly know a thing or two about avoiding tan lines as they expose their arresting bodies to our lens. We've got your summer reading sorted; the rest is up to you.

Dear Club,

Though I'm just 19 and have only recently moved into a flat of my own, I am much more mature than most girls my age. For one I believe in having an open relationship with my boyfriend Will, and we often experiment sexually. As students we don't have a lot of spare cash to buy stuff like sex toys, so we usually make our own out of everyday objects.

However our latest experiment has been far more rewarding than past efforts, because the prop we used this time was my friend Rachael! Rach and I have been best mates for the past two years, having met at 6th form college. It was lust at first sight, but neither of us admitted anything until last summer when we spent a lot of time together and finally got into some seriously sticky, finger licking, Sapphic clenches.

Of course we were fairly innocent to start with, and it took a lot of resolve to get past the initial idiotic feelings of guilt and allow ourselves to enjoy one another's bodies.

When I started at Uni, Rachael and I split up, and I started going out with Will. Will gets me damp just thinking about him, and while our relationship is mostly based on sex, I think I love him. That is why I arranged the little threesome with Rachael in the first place. I wanted to keep Will's attention firmly on me, and as he had been

blabbing on about a threesome being his top sexual fantasy ever I felt it wouldn't hurt to ask Rachael to join us as a surprise on his birthday.

He was like a kid waiting to see his new puppy when I told him I had something special planned for his birthday night. I made him promise to come straight back to my flat after he'd had a few drinks with his mates, as I was going to give him the most memorable birthday fuck ever!

Will phoned a few times early in the evening to know if he could come over yet, but Rachael and I needed some time to set the scene and also to become reacquainted with one another. By the time we phoned Will to come back we were into our second bottle of wine and were swaddled in the sheets together, busily licking one another out, and,

“...holding my pussy lips apart so she could tongue-fuck me from on top.”

only minutes later, oblivious to the sound of Will's key in the latch.

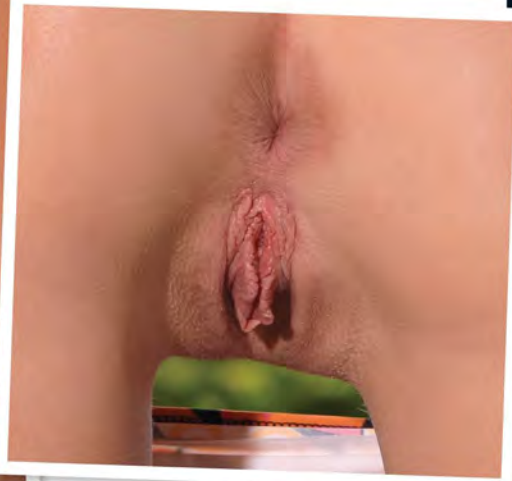

He had brought a bottle of bubbly to celebrate, but was too distracted by the sounds coming from the bedroom to stop and get some glasses. Rachael had rolled me onto my back and was holding my pussy lips apart so she could tongue-fuck me from on top, while I was engaged in frigging her from beneath and catching her juices as they dripped with my

tongue. Will watched in fascination from the door for a few moments, before stripping off and jumping into the fray.

Popping the cork he took a swig and offered some to Rachael, who shook her head, and wished him a happy birthday before asking him to pour some into my furry cup. He laughed at her joke and poured some into my pussy while Rachael held it open. The bubbles tickled my sensitive pussy-hole, making it tingle and spasm as Rachael began drinking it. It made me so excited that I momentarily forgot to continue pleasuring her, but I need not have worried because Will was set on taking my place.

Positioning himself astride my face, he pushed his hard cock against Rachael's dripping pussy, and entered her slowly, watching her drinking from my spasming fanny as he sunk his cock inside her pussy. His ball-sac dangled over my mouth and I gently licked it, delighting in how his balls tightened as his excitement grew. Rachael trickled the sparkling wine over my clit, making it pulse and throb as she abandoned the bottle and began batting it with her tongue. My hips bucked, pushing hard against her tongue as she teased me toward orgasm, sucking and flicking alternately. Meanwhile Will got down to business, fucking my friend's pussy with long slow shunts. With his sawing cock just a few inches above

my face I could see every detail of his thick shaft as it slid in and out of Rach's deep pink pussy lips, drawing them back as he pulled back and pushing them as he hammered it back inside her. My own pussy was getting just as much attention now from Rachael's tongue and my fingers

“...drinking from my spasming fanny as he sunk his cock inside her pussy.”

dug into Will's thighs, and I felt my pussy clenching around Rach's probing tongue as I caught a mouthful of her essence which was dripping out of her hot pussy as she was shafted by my boyfriend. I closed my eyes

and allowed myself to slip over the edge, coming much harder than I had in ages.

Rachael's withdrew her tongue and began finger-fucking me hard and fast. My pussy throbbed, tightening around them as one orgasm rippled into another, and as my mind whirled in ecstasy I saw Will thrust his cock balls-deep in Rachael's wet pussy and I felt her body shake on mine as she too came right on top of my face, with Will's now emptying balls almost smothering me as they pressed down across my nose.

As we lay together in a mess of tangled bed sheets, our bodies still tingling and glowing from the first three-way sex any of us had so far experienced, I formally introduced them to one another!

Jenny, Notts.

Sunny ♣
PHOTOS: HOLLY RANDALL

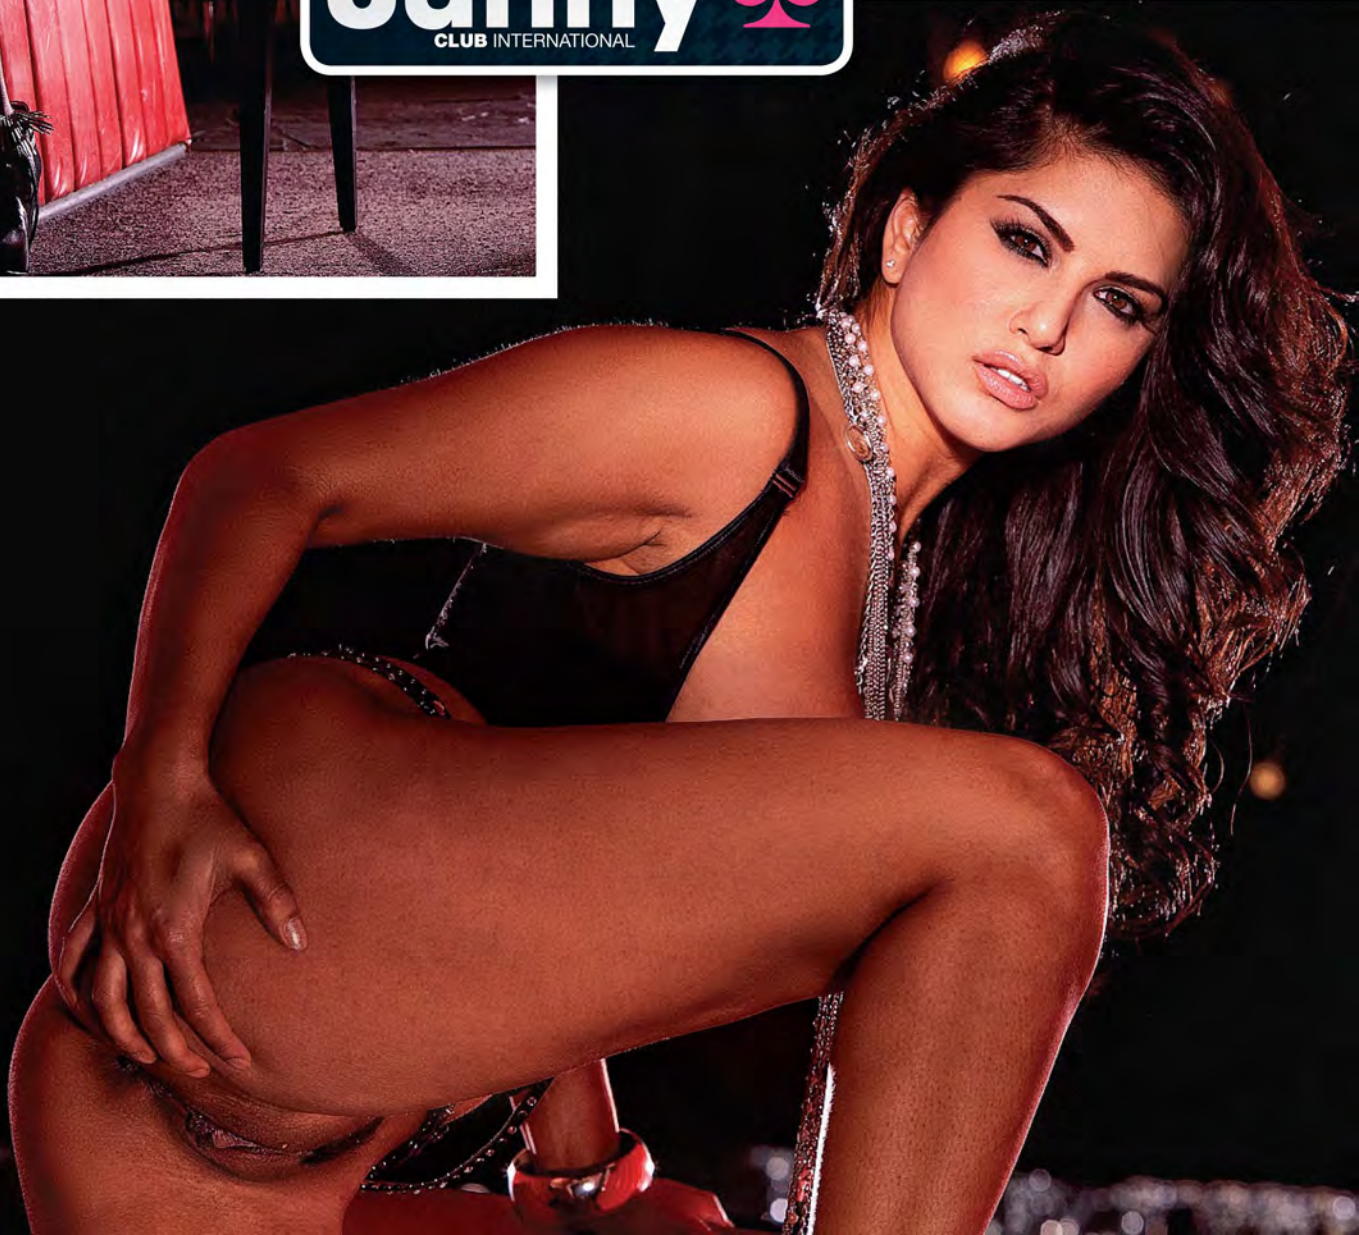

Good grief, now Sunny is a thirst quenching sight for female-starved eyes. Though we imagine this dark-haired beauty would gobble us up for breakfast, rather than gobble on us, we still can't help but try our luck as we gaze into those nut brown eyes. "Unfortunately I've just started seeing someone, and he doesn't know it yet, but I'm crazy about him!" Oh to be that lucky chap...

TOTAL RECALL

Dear Total Recall,
A while back
now, I was
obsessed with a
model called Louise, I just
couldn't get enough of her
and her amazing body. So
when I decided to try one of
your newly released titles at
the time, I was gob smacked
to see Louise and the
accompanying hot video of
her! I had many a pleasurable
moment watching that DVD.
That was, of course, the
first ever issue of Club DVD,
which I've been buying ever
since along with Club. Just
for old times sake, it would
be great if you could publish
Louise again.
Tim, Harwich.

TOTAL RECALL

Anyone who pops us on a brew without asking is our kind of girl, so when Amanda did just that we couldn't believe our luck. Even as things started to get hotter than your conventional oven, Amanda remained down to earth and chatty. "I think sometimes people expect me to be, well a bit snooty and full of myself, but that's really not me, and I like to muck in with the rest." Amanda isn't afraid of hard work, which is great because there's plenty of hard things surrounding her, though I doubt they will need much work.

Want some fillums? Then how about these!?

Viceroy's House

DVD £9.99, Blu-ray £14.99

As the sun sets on British rule over India, Louie or 'Dickie' (Hugh Bonneville) and Edwina (Gillian Anderson) Mountbatten take up their positions as the last Viceroy and Vicereine, as director Gurinder Chadha leads us through the trauma of partition and the events of 1947. There's a refugee crisis, religious division and civil unrest to name a few obstacles, as Mountbatten unwittingly becomes the pawn in a powerful political game, played out through upstairs and downstairs lives. Viceroy's House has a populist edge, which in no way diminishes it, but effectively enhances it and opens up the events for everyone's understanding, whether your knowledge is great or small makes it no difference. It's accessible and historically accurate for the most part, it's also entertaining with warm wit, charm and rather factual melodramas to the surprise of some. Anderson brings a sense of fun to Edwina Mountbatten, along with stiff cut glass English, in the portrayal of a woman of conscience, who looks to improve conditions for the impoverished. The only thing missing is Edwina's notorious promiscuity. But with accompanying lavish cinematography from Ben Smithard, and sets to rival a certain finished ITV series, Chadha has created a visual feast that shows the brutal, bloody and chaotic transfer of power and horrific division of a country, that brought about the largest migration in history, as some 14 million Hindus, Sikhs, and Muslims were displaced.

Ghost Shell

DVD £9.99, Blu-ray £14.99

Manga has quite the following these days, and any fan would, of course, know the masterpiece series by Masamune Shirow. Originally adapted in 1995 by Mamoru Oshii and likely to have influenced The Matrix, it was a hard watch that flitted between the philosophical questions of identity and soul, when you have knockout motherboard pulsing information through you. Director Rupert Sanders' reboot has scaled back on the philosophy, putting his pedal down on the action and tweaking the story. Major Motoko Kusanagi (Scarlett Johansson) a cybernetic cop searches through her memory to find the truth of her creation. With Hong Kong as inspiration for both the original and the reboot, we are visually met with a striking technological metropolis that shouts Blade Runner.

Life

DVD £9.99, Blu-ray £14.99

Alienesque in its idea of a group being picked off one by one by a roaming extra-terrestrial in a grisly manner, Life is similar to many space flicks, but it does prove its measure with stunning cinematography from Seamus McGarvey. After discovering a single celled organism in some Martian soil samples, researcher Hugh Derry (Ariyon Bakare) decides to grow the organism, which rapidly turns into a menacing ball of slime. Jake Gyllenhaal plays the ISS's in-house medic who has lost his way on Earth with brooding despair, but is matched very well with Rebecca Ferguson's safety officer as the pair set off sparks. With all the worst-case scenarios happening and gore galore the acclimation makes for nail-biting, pulse racing stuff, that will probably enter your nightmares.

Nest Cam IQ

www.nest.com

The third smart camera from Nest, is now on sale but as with all things from Nest we expect big, so how does it live up? Well, install is a bit of a breeze, plug it in and download the app, then scan the barcode located on the base of the camera and your pretty much there, so ideal for technophobes. The IQ streams at full HD, which is sharp enough for the police to be interested in if burglar Bill rocks up with his swag bag. It also has 4k sensors to spot persons known or unknown moving about and just like other cameras it will alert you. A clever feature though is the ability to zoom in on your intruder with its wide angled lens. It also features snapshot history encase you missed an alert and audio alerts.

You've hit that 11 am slump and there's still two hours to go until lunch, a coffee fix is needed. So just grab your phone, and with the help of a slender case, within 8 seconds you'll have a single shot espresso. Nope, we're not pulling your leg, and neither is Kickstarter, who have the product listed currently. With specially designed coffee cartridges, the coffee is heated up using a battery in the casing that is worked via an app on your phone, before flowing down a non-toxic silicon-aluminium pipe. The Mokase will be available for a range of smartphones including iPhone and Samsung. If you can't wait then you can pledge the small amount of £41 on the Kickstarter website.

Sony Xperia Touch

www.sony.com

What if you could turn your table, wall or even the floor into an interactive screen with the help of a small projector? Sounds like futuristic twaddle to me, but Sony has launched just that, with the Xperia Touch. So now you can watch your favourite YouTube dog vids in up to 80 inches and do nearly everything your phone can on any surface you like (yes, even the toilet seat if you must), it can even download apps from Google Play. But it's smart and also offers voice recognition, calendars, Skype, memos and can be hooked up to a PS4 for remote play feature which will excite any gamers. The touch features are enabled by infrared light with camera capture, which will allow a touch screen of up to 23 inches on a flat surface and possess USB Type-C/ micro HDMI ports so you can plug in on this portable device, literally anywhere.

Mia's been proving quite the draw over the last few years judging by a number of letters we've received praising her red locks and firm body. So, of course, we listened to your pleas to feature Mia again soon and here is the stunning lady

herself, ready to tease as she reveals her soft pert tits and a small strip of pussy hair that leads the eye down to the pink fleshy pleasure zone between her legs. It's safe to say we're expecting a lot of letters from you guys about Mia this month, so garb your pen!

Dive in, is the phase I think I'm looking for when it comes to Valentina Nappi as the saucy temptress invites us for a dip. "Come on in, the waters lovely and cool." Which is what I was afraid of, but I manage to persuade Valentina

that watching her glide through the water is much more appealing, and it was made even more so after she had removed her swimwear. "I like to swim naked and the feeling of my breasts being free in the water." It's all rather hypnotic, I can tell you that much.

SCRUFF JUSTICE!

Please be upstanding!

Jasmine Jae: No Holes Barred

Evil Angel

Starring:

Darwin Slimpoke, Filthy Rich, Isaiah Maxwell, Jake Jace, Jasmine Jae, John Strong, Jonni Darkko, Jovan Jordan, Juelz Ventura, Ryan

Ryder and Markus Dupree.

Synopsis: "Every so often, director Jonni Darkko singles out a favourite female performer for a hardcore showcase of her perverse talents. 'Jasmine Jae No Holes Barred' presents the titular British brick house in all of her glamorous MILF glory taking on gangs of huge cocks in every combination, and using her righteous butt and enormous, round knockers to full advantage. Seven men fill her mouth with whipped cream, thick lube and dick in a relentless face fuck, leaving Jasmine a wet mess. She joins fellow bikini babe Juelz

Ventura for a nasty foursome of ass fucking and double anal penetration with well-hung Markus Dupree and Ryan Ryder. Both sluts end up slathered in spit and cum. Moe 'The Monster' Johnson and Slimpoke sodomise Ms Jae with big black cocks; they scoop out a pussy creampie and feed her the goop! Jonni and Ryan add their loads to her face. Markus, Moe, John Strong and Jovan Jordan team up on Jasmine for double penetration and a blow bang. The nasty whore swallows surplus sperm. Darkko stuffs a lot of action into four hours,

and into Jasmine!"
Courtesy of Evil Angel

Verdict: What can we say? Jasmine Jae has surpassed herself this time, taking no holes barred and how much you put in them to a whole new level. This is some filthy stiffening stuff with a seven dick interracial blow-bang. Yes, people seven! Well, and a Magnum by the looks of things, but Jasmine handles them all and gets drenched in spunk. A must see from director Jonni Darkko.

Quest

Digital Playground

Starring: Aria Alexander, Brett Rossi, Jada Steven, Katrina Jade, Kleio Valentien, Derrick Pierce, Donnie Rock, Jay Smooth and Michael Vegas.

Synopsis: "Doom Quest's vilest villain will stop at nothing to acquire the Sword of Ultimate Game Breaking. Only four role-playing newbs stand in the Dark Lady's way! Using bold deeds and mighty magic, will an elf, a warrior, a sorceress, and a priestess be strong enough to take down the Big Bad? Or will it be total party kill for our band of feisty heroines?"

Courtesy of Digital Playground

Verdict: With the return of the last season of Game of Thrones, why not inject a bit of

medieval sorcery into your little man time too, with Digital Playground's Quest, which resembles a cross between Warcraft and Lord of the Rings (ahem, not those rings). So as you can probably guess it's all about the role-play, and hot babes nerding out in level quests, as they attempt to find an all-powerful sword. There's bare chest combat from Jada Steven that ends in a timely shafting from a tattooed barbarian, and Elf Aria Alexander succumbs to an Assassin. There's sexy sorcery aplenty with Kleio Valentien and Michael Vegas making some potions of their own as he splatters Kleio with his magic seed. But the sword of power still eludes them as Brett Rossi takes care of some sexual healing, as the dark lady entices

our game players into a fantasy orgy. Also, there's a brilliant double action blowjob from Aria and Katrina Jade ... as the girls share the spoils. Great scenes all round.

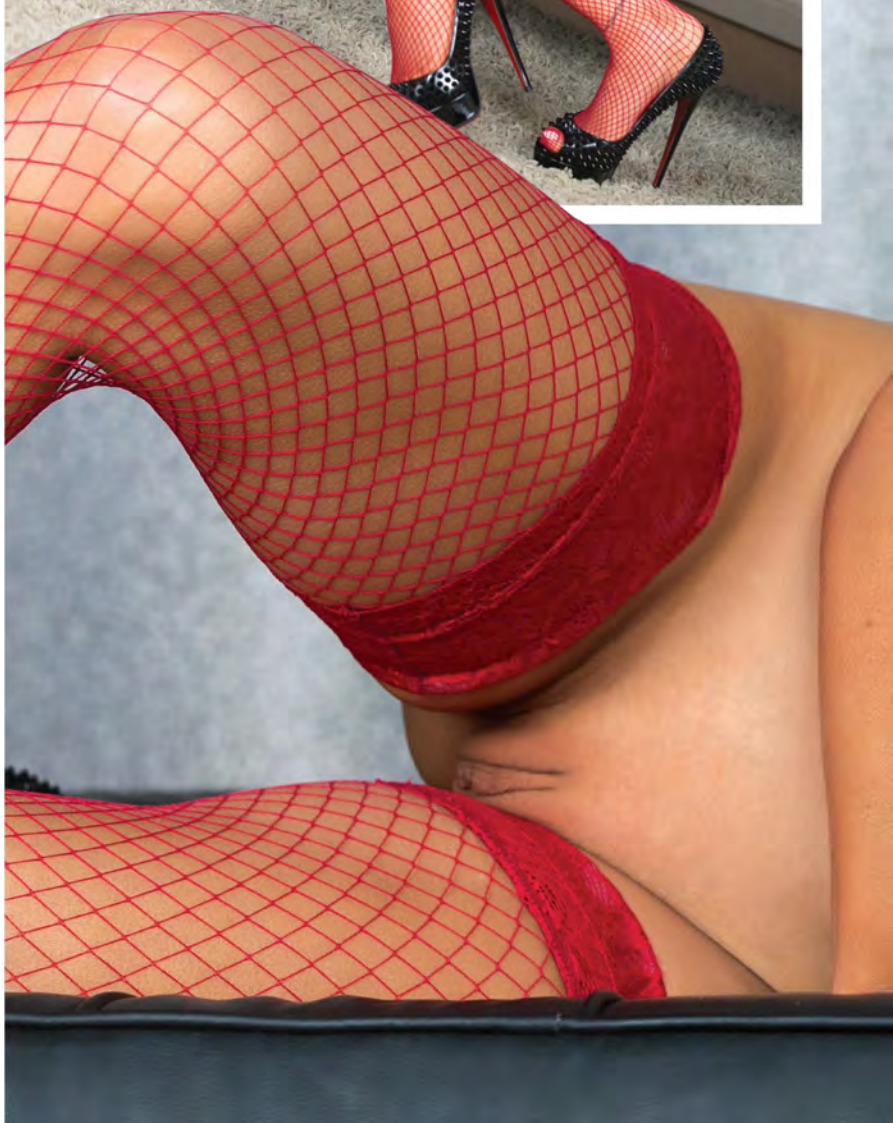

Dressed to impressed as you can clearly see, newbie Carla is causing quite a stir in many departments as we can help but stare at her appealing red lingerie. But the other half of the Howe twins seems oblivious to the sensation she is causing, or she's just being very polite and pretending not to notice. We can only guess what's going on beneath those lush dark locks and soft blue eyes, and so we let our imaginations run wild.

That's a mighty fine looking instrument, do you play at all Sara?

"I did have lessons when I was young, but I haven't played for years and doubt whether I could remember much now. Though I wouldn't mind having a go later on."

Why not have a little tinkle now?

"Oh no, I'd be so embarrassed! Though the film *Pretty Woman* does spring to mind, that scene with the piano. If only Richard Gear were here now, I'd show him how to play my melody."

Not afraid of an older man we see.

"Not at all, they tend to know more what they're doing and often appreciate a woman a bit more than a young horny buck."

Wise words there Sara.

AU PAIR DE LA POON

I never would have imagined that I'd find myself cheating on my husband – I love him to bits, and I know I'd be heartbroken if he was messing around with other women. But we've been together for 10 years now, and though I still enjoy sex with Michael, it's all a bit too familiar, and lacking the sparkle and passion it used to have.

Of course, it's not as if I went out looking for sex with someone else, it just sort of happened. And I'd certainly never have expected to be cheating with another woman. We have two young children, and as Michael and I work very long hours, we have a live-in au pair, Nina, who looks after the kids and helps me with the housework. One Saturday night Michael was away on a business trip, I'd put the kids to bed and I was settling down to watch the usual crap on the telly, when Nina came in and asked if I'd like some company for the night.

I was surprised that she wasn't out partying on her night off, as she's a good looking 21-year-old, but she said she'd rather have a girly night in with me, if I didn't mind. I was glad of the company, of course, so I poured her a glass of wine. We chatted for a bit, watched the box, and ended up giggling and laughing and having a really fun time. It didn't seem strange to me at all that we were sat so close together on the sofa, and for ages I didn't even notice that Nina's hand was resting on my thigh.

We were both quite drunk, laughing away, and I kind of fell forwards, resting my head on Nina's shoulder as I chuckled. Only when I looked up, Nina wasn't laughing anymore, she was looking at me in the most curious way. Then all of a sudden she leaned forward and planted the softest, most delicate kiss on my lips. She pulled back, and we just looked at each other for a second, before I really don't know what came over me and I just grabbed her face and kissed her back. I thrust my tongue into her mouth, kissing her passionately as I felt her hands sliding up my waist, under my jumper and onto my breasts. She cupped them gently, squeezing and groping, as her thumbs rubbed back and forth over my hardening nipples.

I couldn't quite believe what was happening. Nina is the most beautiful, blonde, Swedish girl, with a figure I'd often admired, but I'd never felt sexually attracted to her. I'd never had sexual thoughts about any woman. Now, all of a sudden, I was desperate to feel her fingers inside me, her hot tongue on my clit. I wanted to spread her pussy lips wide open, plunge my tongue deep inside her, and taste her cunt.

It was all so frenzied and excited, and we kissed and grabbed at each other,

writhing around on the sofa, pulling our clothes off until we were laying there in each other's arms in just our knickers. I took Nina's perfect, pert boobs in my hands, squeezing and pulling them, as I bent my head to take one hard, pink nipple between my lips. Nina shivered beneath me, letting out a long, soft moan as I circled the hard bud with the point of my tongue, sucked on it, pulling it into my mouth then spitting it out time and time again. Her hand, meanwhile, traced its way down my stomach, sending sparks shooting through me as she found my pussy. She groped my cunt through my soaking panties, finding my clit and making me buck up to meet her touch as she rubbed furiously. Then

“I made my tongue into a hard point and thrust it deep into her soaking hole.”

downy covering, and I wasted no time in licking her. I wasn't exactly sure what to do – I'd never done it before – I just did what felt natural, and from the grunting and moaning coming from Nina I knew she was enjoying it. I licked up and down her pussy, circling her clit with my tongue, sucking and pulling the lips until she was groaning and bucking the way I had been. I could tell she was close to coming, so I made my tongue into a hard point and thrust it deep into her soaking hole, rubbing her clit with my thumb as I fucked her with my mouth. Just a few seconds of tongue fucking and she was coming, her thighs clamping tight around my head as I felt her cunt muscles ripple on my tongue and a small jet of pussy juice run down my throat. Needless to say, that was just the start of our little lesbian adventure. We headed up to Nina's bedroom after that, where we spent the night licking, sucking and fucking each other and playing with Nina's little collection of toys. That was two weeks ago, and since then Nina and I have taken every opportunity to fuck each other when Michael has been away – one time, when he was actually in the house, and I found myself licking her pussy in the kitchen when he thought I was making dinner!

AUTO EROTIC!

Life took an interesting turn for me a few months back when I got a job in a car dealership. I've been in the car trade for a few years, mainly selling boring family cars, so I jumped at the chance of a change. Apart from anything, else, it offered the chance to borrow some of the cars for the weekend, and I figured I'd soon be beating girls off with a stick!

The place I moved to deals mainly in classic sports and hyper luxury stuff, but all of it very expensive. After a while some customers become friends; they ask you to look out for certain cars for them and then reward you with hospitality, cases of expensive wine and fancy gifts when you succeed. I got more than I bargained for with one client, a very rich woman who had a penchant for classic European sports cars. She asked me to find her a Mercedes Cabriolet, 1960s vintage. I found her a car pretty quickly, more by luck than anything else, it was an immaculate 1962 300 SL Roadster, and it cost her a

she was on her knees in front of me, peeling my knickers down my legs and throwing them high into the air. She pushed me back on the sofa, grabbing my knees and spreading my legs wide, before thrusting her face into my soaking, shaven pussy. I nearly leapt off the sofa, as her hot tongue licked the full length off my sodden pussy lips, and I nearly came right away when she looked up at me with a devilish smile, clearly revelling in the overpowering effect she was having on me.

Her tongue went crazy then, licking all around my pussy, slurping, wriggling all around. Her tongue darted in my pussy, thrusting in and out as she fucked my cunt hole with it. She drew my pussy lips into her mouth, pulling them as she sucked, nibbling them ever so gently. Then she slid two fingers deep inside me as her tongue went to work on my clit. That was it, and I grabbed onto the back of her head, pulling her down into me as I thrust up to meet her mouth. Her fingers drove into me, and I orgasmed hard, bucking and panting, as I came on another girl's tongue for the first time. I needed a few seconds to relax, but as soon as I came round I copied Nina's lead, kneeling before her and spreading her legs wide. Her pussy was beautiful, with a lovely

pretty packet.

She rang me up as soon as it was delivered, literally squealing with delight. She invited me to drop by for a drink later that evening to celebrate, which wasn't that unusual an offer from a satisfied and well-heeled customer, so of course I accepted without question. But deep down my gut feeling said something more than drink was involved tonight. When I got there she was dressed to kill, and I knew I was right. She was a very well preserved 40, at a guess. She was wearing a short denim skirt, and her high-heeled snakeskin style boots brilliantly accentuated her long legs. She had no tights on but her legs boasted such a deep and expensive-looking tan she needed none. On top she wore a tight skinny-rib roll-neck jumper that accentuated her rather fine boobs. Her long dark hair was down and her face and nails were immaculately made up. She smelt divinely of some expensive perfume and smiled seductively as she invited me into her posh home.

She babbled for a few minutes about her car and then sat really close to me on her sofa and kept touching my knee during conversation. Her intentions needed no further telegraphing, in my job it pays to know what people are thinking and how best to react. I decided to come to the point, I guessed she wanted me to.

“Forgive me for being presumptuous,” I said, “but I get the feeling you'd like me to provide you with more than just a car, would you like a kiss too?” She looked me level in the eye and my spine tingled all the way down to my balls.

She said; “I'd like a kiss, but I'd like more, much more than a kiss!”

It didn't take long before we got into her bedroom. She was quite something in bed, very adventurous and far more liberated than most of the girls I'd been out with. She was completely uninhibited! We kissed passionately for what seemed like hours, our hands explored each other's body while we did so. Her hands paused on my groin, freeing my cock and balls from my trousers and wanking me expertly. I massaged her boobs, tweaked her nipples and traced my fingers across her belly. I pulled her tights down to her knees, they were already soaked with her love juices. She had a pair of skimpy but expensive looking panties stretched tight over her neatly trimmed pubes. She shuddered as I fingered her clitoris through the thin material and gently kissed her neck and nipples.

She guided my stiff cock to her cunt with one hand and parted her panties with the other.

She rubbed the tip against her love lips and with a gently push I slipped easily inside. I fucked her, going very slowly at first, sliding my cock in and out in long, deliberate strokes, with a pause to push down on her when I was fully inside. All the time I was kissing her, massaging her tits, playing with her nipples, and sometimes grabbing her buttocks and pulling her up onto me. She was talking to me all the time, guiding me, encouraging me and telling me how much she loved it. It was great, not like the stream of coarse obscenities I've experienced from some girls who talk dirty, and yet still raunchy and very, very sexy. I was pushing down on her hips with my hands as I impaled her. I rotated my hips slightly at the end of each in-stroke, grinding my pubic mound down on hers. She loved that too, and soon she was telling me she was very close to coming. I kept up the rhythm and the pressure and she came, moaning loudly in a voice that came from deep within her as the orgasm shuddered

through her body.

I kept going, she rolled over onto her front and pushed her firm buttocks up at me. She was wet, her juices had run down her arse cheeks and she was slippery to touch. I eased my throbbing cock into her gaping quim and she moaned softly as I grabbed her hair and pulled her back onto my rigid pole. She pushed herself hard onto me and made a guttural, animalistic grunt from deep in her throat with every push. It was very earthy and very sexy, we were getting deep here, with both of us getting down to a place that only the best sex can take you. Sweat was pouring off me as I worked her, she was also sweating, but still pushing onto me with each thrust.

I wasn't going to last long, but neither it seemed was she. As I rocked gently in and out of her she ascended to another orgasm, and this one seemed even larger than the first. I felt her muscles grip and squeeze my cock, they pulsed wonderfully with the strong rhythm of her orgasm.

That was all I could take! My cock literally exploded spunk into her as I experienced what had to be

the best orgasm I'd ever had up until that point. I let out a long, low groan of pleasure. It was so intense, it was sensational. My body bucked and rippled as the orgasm tore through me. She pushed herself onto me hard as my cock pulsed and squirted its juice. Then we collapsed into an exhausted heap on her bed. We carried on 'seeing' each other for a few weeks after that until she went off on an exotic holiday, but I'm sure she'll be back in touch again before too long, when she's on the look-out for another car – or some more sweaty sex!

Don, Manchester.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BUSTY BABE!

When you're talking female figures, curvy doesn't even begin to describe mine. And I don't mean curvy as in a nice way of saying plump – I'm not skinny but my belly's flat – I'm just all arse, hips and boobs. I'm the best-stacked out of all the women in my family and my friends – in fact, stick me in a room with a bunch of other women and it's almost certain I'll have the biggest tits. I say almost because very occasionally I get outclassed, and the last time it happened things got very interesting.

I was out clubbing with a bunch of mates, tits and bum stretching my tight red dress. I turned plenty of heads but then I saw a girl on the dancefloor who had every bloke in the place tripping over his tongue.

She looked like a certain American R&B diva but darker skinned, and she was wearing a metallic sequined playsuit, which gave everyone a flash of the bottom half of her bumcheeks every time she wiggled her arse or bent forward. As for her tits, they were crammed into the top of it, bunched up together, but so firm and even-looking. She didn't have a bra on so although the dress was holding them, they were bouncing about all over the place.

Usually I'm straight as they come, but I was so obsessed I stalked her into the ladies', wanting a close-up look. At the time it was curiosity, I just wanted to see how I measured up. I waited till she was touching up her

make-up in a mirror then I sidled up to use the next one and asked if I could try a bit of her perfume. That broke the ice and as we chatted, I saw her looking at my boobs in the mirror.

"38FF," she said, then told me she'd spotted me checking her out a few times during the night. I didn't deny it, and said mine were 36G and she grinned. Her natural facial expression had seemed a bit haughty – really dark eyes, high cheekbones and just something about how her lips pouted. But when she smiled it just lit her face up while making her look like she could be a really dirty girl! Then she said something about having to go and find her bloke and, to my surprise, I felt gutted.

I thought that was that but as I left and walked down to the bus stop, I saw her and her boyfriend at a cab rank. She waved me over and said he didn't believe there'd been a girl with bigger tits than hers in the club, so would I give him a quick flash? I let my coat fall open then yanked the top of my stretchy dress down. She looked shocked then giggled and said she'd only meant my cleavage – not that the guy, a tall, lanky blond, seemed too upset.

I blushed and then we all burst out laughing – he said, "OK, You're coming home with us, er...?"

"Laura-Anne," I introduced myself, and they were Leisha and Jack.

I didn't take his invitation as more than a bit of friendly flirting, but Leisha said I was welcome to hang out at theirs. I just thought why not – better to have a laugh and crash on their couch

“Leisha’s big black boobs pancaked up against my huge white ones.”

than to go home alone to a cold single bed. They had a nice rented flat and as we sipped beers out of the bottle, Leisha and I put on a bit of a dance show for Jack. Just the kind of moves we’d been doing at the club for starters, then we started messing around, just giggling, rubbing together tit to tit, to wind him up.

He groaned that we were giving him a “king boner”. Leisha asked what he’d get if we did it topless. “Emperor boner!” he said. She started tugging on my dress and I just went with it – well, he’d already seen them, hadn’t he?

Hers didn’t stretch much so she stripped it off, then I followed suit. That’s how we ended up dancing topless, shaking our tits and grinding them together. Leisha had massive dark nipples – much bigger than my little pink nubs. And when we flattened our tits

together, I could feel her big teats digging into my soft globes. I started rubbing my own nipples, saying hers made me feel inadequate, then Jack told her to give them a suck. “Works on my cock anyway,” he added.

I said talking of which, I’d shown him mine now I wanted to see his. And I didn’t mean his pecs! Then I couldn’t say a word because Leisha had dipped her head to take one of my nipples in her mouth, sucking and tonguing on it.

Jack hadn’t been joking when he’d said “king boner”. Leisha looked at him and then to me, obviously proud of what he had. And probably smug that she got to suck and fuck it whenever she liked. “That’s what I like about tall, skinny guys – they always have massive cocks,” she said. I’d never realised that before but now I thought about it...

“Just mash your tits together again,” said Jack. “Please.” Now he

came over, wanking his prick – well on its way to “emperor” and had us kneel down so he could toss it over us. Being so close – Leisha’s big black boobs pancaked up against my huge white ones – we couldn’t not kiss. That pout felt so soft and full against my own, her little pink tongue flicking in and out of my mouth to dance with mine.

Jack didn’t mind that it sort-of blocked the view of our tit-grinding, although his hand slapped faster against his shaft as we pulled apart for a breath. “Can I...?” he asked, his dick now inches from our tits. I said he could do whatever he liked, as long as he stopped

if I said so. He nodded, then started to wank off against our tits, polishing and spanking his dick against them. My boobs looked so pale and Leisha's so dark, and between us was this huge, reddish purple prick, the head of it swollen shiny and wet with his seeping pre-cum.

I was so tempted to suck on it, to feel it hot against my tongue. But just as I thought it, it twitched and then what looked like a big bucketful of jizz shot out to splatter on our boobs. Leisha grabbed it, wringing out every last drop, then he staggered clear as, instinctively, we circled our tits against each other, lubed by cum.

Now I started licking it off Leisha, using my fingers to draw a trail of it down her belly. When it reached her knickers I unstuck them from her soaking folds, then followed the glistening, pearly trail of spunk to lap her clean and get stuck into eating her.

I'd honestly never done this before – maybe it was drink or instinct and I just did what I like to have a bloke do to me, but there I was slurping on her cunt, swallowing the honey from it. Her outer labia were shaved and dark as her nipples, but when I spread them, the insides of them were pink and oozing wet.

Now Jack was stroking my arse, testing to see if I'd let him do more. I sure as fuck wasn't going to tell him to stop, so I squirmed backwards, encouraging him to dip his fingers in my snatch. He tasted me off them, then pulled my knickers aside and drank my cream straight from the source, smacking his lips.

Just licking Leisha was the best way to keep them both turned on, and then I felt Jack play his prick over my cheeks, getting closer to my arse crack all the time. Despite what I'd said, he still paused to ask was it OK to fuck me. All I could do was say a quick yes before Leisha dragged my face down between her thighs for more licking.

That big, fat cock of Jack's felt like a stiff

pole inside my arse, opening and stretching me then pistoning in and out. I had him stir it deep to give me a chance to suck Leisha to a cum, and soon had her humping against my mouth, her juices flowing over my tongue as she spasmed with pleasure.

Now she was satisfied, he just let rip, slamming into me, my big boobs dangling to slap together as his girlfriend kneaded her own heavy titflesh. But even though he hadn't long cum he didn't last more than a few minutes, fingers digging into my rounded arse cheeks as he spurted deep in my bumhole. He kept cumming, his prick jerking and throbbing along the entire depth of my rectal-channel. Then as he finally pulled out, Leisha beckoned me over to straddle her body.

She used a couple of fingertips to strum my clit, seeming to know which spots to hit. As my open pussy tensed and rippled, Jack's jizz and my juices gushed out, splashing on Leisha's tits. Soon I was humping against them directly with my spread crotch, making

“...fingers digging into my rounded arse cheeks.”

suck a sticky mess of them and my arse.

Sometimes I've wondered why blokes make such a fuss about big tits – now I know first hand. I like playing with my own but playing with someone else's is even more fun. And having a nice huge hard-on to fuck and suck on too made me an even happier girl that night!

Alexis 
PHOTOS: DAZGLAM

There is something fun and slightly naughty in Alexis' smile that makes you tingle at the thought of being alone with her, and the possibility of getting to roll down those hold-ups is nearly too much to bear.

So after composing ourselves and knuckling down to the job, it was all undone again by a delicate parting of the legs and a flash of inner thigh. I'm getting giddy just thinking about it, so just imagine being in the room with Alexis!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Bearing Down!

Here's a couple of bear facts for you, one, if a bear sees you, you should never run from it, but instead back away slowly and to a place of safety. And two, if you do decide to run then bears, are nearly as fast as racehorses. So even if you're a professional marathon runner like Moninda Marube, based in Maine, that advice really should be followed. Marube was out on a 5 am run when he encountered two bears who stopped to

take a good look at Marube, who commented: "I had to think very fast." And remembered there was a house 20 yards away. The runner turned and sprinted towards the house as the Bears gave chase, gaining on Marube quickly. Luckily after not being able to open the door at first, he eventually found the latch and locked himself inside the screen porch. Soon the bears lost interest and went on their way.

Did you see the size of that salmon?

Gawping grizzly!

Grannynastics!

Most of us just hope to reach ninety-one, never mind being fighting fit and still doing the same things we did when we were in our late teens and early twenties. So when Johanna Quaas appeared on Little Big Shots: Forever Young, with a floor routine and then took to the parallel bars, it's safe to say jaws dropped. The German Born retired gym teacher, who has been competing since 1934, has taken part in over 500 competitions, and won some 30 championships, showed off some astonishing moves and proved getting old isn't all about the armchairs and zimmer frames. So there you have it, get on your bike now, and you'll still be able to get on it well into old age.

They said the bars were this way, G&T?

100 burpees before breakfast!

Putin's Potty!

MI6 haven't got shit on me!

and the World War of 1812 Museum can be seen sliding across the famous square at some speed as pedestrians hurriedly try to get out of there way. Footage uploaded on Twitter gained references to the next series of Doctor Who, and one user commented, "Even the toilets are fleeing from the bloody regime." Must have been the whiff of propaganda that set them off.

We've all done a no.2 that haunts the toilet for some time after, offending every nose that comes within a meter distance. But what if your Kermode actually chased you down the street. Scenes in Moscow recently have shown portable loos chasing pedestrians during a powerful storm. The loo's located in Red Square between the Moscow Museum of Archaeology
